

Your health and safety are extremely important to us and we plan to do everything we can to make things safe and comfortable at all ATAA programs.

ATAA has been and will continue to monitor issues related to Covid-19 in Las Vegas, NV and will follow local guidelines/requirements. While things are fluid and this may evolve over time to keep up with current best practices, this is the safety protocol that we are currently planning to follow for the 2022 NTLD Bootcamp, April 6 - April 8, 2022, at the Rio, Las Vegas:

- Proof of vaccination or a negative Covid-19 test (within 72 hours of check in) will be required to attend the symposium. This will be checked at time of onsite check in for program.
- Masks will be required by all attendees, exhibitors and ATAA staff while in the meeting room space, exhibit hall, ballroom foyers and registration area. Masks should be worn properly over the nose and mouth. As of this date, masks are mandatory in Las Vegas in all indoor public places, as well as crowded outdoor venues regardless of vaccination status. There will be masks available at the registration desk if one is needed.
- Hand sanitizing stations will be placed throughout meeting space, meeting rooms, and the registration desk.

ATAA will keep you apprised of any changes related to this safety protocol between now and the time of this program.

If you have any questions, please feel free to email Lori Tepper at [Lori@TruckLawAcademy.org](mailto:Lori@TruckLawAcademy.org).
