Joe Camerlengo is a founding partner of The Truck Accident Law Firm where he maintains a nationwide trial practice specializing in the areas of serious personal injury and wrongful death caused by trucking, bus and commercial motor vehicle crashes. He is extremely hardworking and a passionate advocate for his clients. Joe is board certified in truck accident law by the National Board of Trial Advocates and board certified in civil trial law by both the Florida Bar and the National Board of Trial Advocates. Joe is a member of ABOTA, has achieved a preeminent AV rating by Martindale Hubbell and has been voted a Florida Super Lawyer in Civil Trial and Personally Injury Law every year since 2008. He has also been selected as a National Trial Lawyer Top 10 Trucking attorney.

Joe is passionate about making our roads safer by pursuing, and helping other attorneys pursue, bad trucking companies and dangerous truck drivers. Joe remains actively involved in the leading trucking litigation attorney organizations. Joe is the immediate past President of the Academy of Truck Accident Attorneys, the Treasurer for the American Association for Justice Trucking Litigation Group, Chair Elect of the American Association for Justice Bus Litigation Group, Chair of the Florida Justice Association's Trucking and CMV Crash Section, and serves on the board of the National Board of Trial Advocates and the National Board of Trucking Trial Advocates. Joe speaks all over the country on issues relating to handling Trucking Crash cases and advanced trial techniques. He has been a repeat speaker for the American Association for Justice, the Florida Justice Association, the Academy of Truck Accident Attorneys, the 360 Advocacy programs, and many other trial lawyer organizations.

QUOTE:

“I have been privileged to represent many families that have suffered greatly at the hands of bad tractor trailer companies or overworked commercial drivers. The more I know about semis, tractor trailers and their companies, the greater my passion to pursue justice for the harms and losses they cause. Trucking experience is critical.
